PYREX®

"Pyrex® is a trademark of Corning Incorporated used under license by International Cookware®".

At Pyrex®, we love to cook

We have a passion for ingredients.

Borosilicate glass, silicon, ceramic, vitro-ceramic, aluminium, stainless steel, cast iron.

No one else knows how to prepare them like we do

We're obsessed with thermal shock resistance and durability.

And we always keep pushing the limits.

Fire and Ice.

From -40°C to 300°C

From freezer to oven to fridge and back

This took us to where we are today,

in every kitchen around the world.

Generation after generation.

We will never let you down.

So don't be afraid, unleash your thirst for creation.

A table !

VERRE • GLASS
BOROSILICATE

The success of a recipe

is built first and foremost on preparation. The Pyrex Expert bowl was designed to simplify all the many little techniques that make the difference. It is perfect for all steps from mixing to pouring, for all kinds of mixtures, whether thick or thin, for all kinds of cooks, novices or expertswhether they are right or left handed!

+ Wide pour spout:
ideal for thick and
thin mixtures

+ Borosilicate glass:
can be placed in
the oven (for rising
dough) or the
refrigerator

EXTREME
RESISTANCE
VERRE • GLASS
BOROSILICATE

4.2L capacity
for maximum practicality

+ Sides angled at
35°: promotes
aeration while
mixing (in parti-
cular with a whip)

+ Graduation
from 1 pint

+ 340° handle:
easy to hold,
no matter the use

Bake & Enjoy

Bakeware

Pastry is a demanding **discipline!**

From preparation to baking, it requires meticulousness and precision. Don't worry! The Pyrex® Bake&Enjoy range provides you with ideal control over baking in the oven, thanks to the transparent borosilicate glass. Whether for cakes, pies, flans, or any other baked good, there is a matching shape to showcase your sweet creation!

+ Wavy sides: to keep your pie crust in optimal condition

+ Borosilicate glass: to monitor the uniform cooking of your dough
