Its Almost April! Time is flying and we are already making the retail change of season from Summer to Winter. We know that it is still very warm but before we know it, the leaves will be falling from the trees and the early morning chill will be in the air.

Start thinking, Winter Warmers! Before long, hot water bottles, microwave heat packs and thick fluffy socks will be on the shopping list .

AWG Trading has a full range of Winter warmers already in stock and ready to leave the warehouse. From Lux Plush hot water bottles, long hot water bottles, Sherpa covered hot water bottles and hot water bottles with pockets to keep your hands warm, to the Thermotherapy range of microwave neck pillows, heat packs and our fluffy, warm socks, there is an offering for everyone. Let's not forget our little peeps..... a cute little Cozi Cuddle animal microwave heat pack, to accompany them to slumberland.

Need portable vessels for hot beverages?

The Home Classix range has a comprehensive and wide range air pots , vacuum jugs, flasks and travel mugs in a wide array of shapes, colours and sizes to suit both domestic and hospitality needs. Ranging from a 3.2 Lt Vacuum Flask all the way down to 500ml Vacuum flask with a push button, ideal for lunch boxes, the choice is yours!

Good News!! Good News!! Good News!!

Our full range of Franschoek Red Wine, White Wine, Flute, Tumbler, Beverage, G & T and Tall Beverage glasses are back in stock! Designed in eye catching packaging and great in price, do not wait long to place your orders as they are already flying out!

We have a new stainless steel, travel mug on the block! The new 550ml “Roving” Travel mug is ideal for any kind of travelling. Great in design and available in Grey, Black and white, they are perfectly suited to the whole family, and fit snugly in the cup holders in the car.

With the change of season on the way and consumers starting to drink more hot beverages, coffee mug sales always increase. AWG Trading has a variety of coffee mugs from ceramic to glass, sorbet colours to neutrals, the much in fashion herringbone pattern to the more nature lovers animal pattern

In the Luigi Bormioli camp, we are so happy to report that the ever classic Luigi Bormioli Mixology Spanish G & T glass and the H10085 Luigi Bormioli Bach spirits decanter are back in stock.

Leading manufacturers of air fryers are now making rectangular air fryers, our NoStik range has widened and now includes a new ingenious rectangular shape air fryer liner. Brilliant in thought and design, the outer packet includes 2 liners, a liner for both the top and bottom shelf and therefore keeps the outer basket of your air fryer clean and prevents food sticking to the inner basket of the air fryer. Reusable, easy to clean and designed with integrated handles to lift the liners easily out of the baskets.

**We appreciate and thank you for your ongoing support.  
Take care everyone.**
